Active Gloucestershire – Active Workplaces

Employers are increasingly recognising the benefit of improved employee wellbeing. The positive impact on productivity, sickness levels, recruitment and staff morale are just some of the benefits. We will hear from employees and employers that have already made a change in their workplace and will understand the impact on the business.

Tom Beasley

Business Development Director for Active Gloucestershire, Tom is an experience multi-disciplinary senior manager with extensive experience at strategic and operation level. Broad specialisms include marketing (online and e-marketing), governance, estates and property, coaching and mentoring, succession planning and innovation. Recent experience of working in the public, private and third sector.
