Welcome to The South Gloucestershire Business Show 2018

This is the second year for #SGBS18 at The Bristol & Bath Science Park, we are delighted to have been invited back and want to extend our warm thanks to the B&BSP staff team and the South Gloucestershire Council Economic Development Team who have all worked to support us in delivering a great event. Our Festival of Business will challenge you in your thinking, create opportunities for collaboration and give you the opportunity to explore opportunities to add value and knowledge to your business.

One of our key objectives is to give businesses a voice and a place to express it. The Forum Series that will run over the two days gives you that chance and we invite you to take part. Please support our exhibitors and sponsors, without them there would be no business show. We hope you have a productive two days – do let us know how you get on and do tell about the deals that get done!

Our morning session will look at **India – A Global Business Opportunity**.

The seminar will be headlined by Mr M C Sampath, Hon'ble Industry Minister, Government of Tamil Nadu, India who will be talking about the upcoming Tamil Nadu Global Investors Meet 2019 which will take place on 23rd–24th January 2019.

There will be a special presentation by Mr Manish Singh, Minister (Economic) who will share the various opportunities available to UK businesses as a result of the recently launched **Access India Programme (AIP)**.
