Growing Your Export Markets Post Brexit

Trade expert and keynote speaker Marcus Broix explains the effects of Brexit on small and medium sized companies. He advises on hands-on solutions for the most frictionless trade with the EU 27 states and farther afield. Don't let trade barriers affect your business! Find out how you can proactively bypass (most of) them. Including a Q&A session for your specific queries.

Marcus Broix

Marcus Broix runs the Bristol based company Trade with Europe. They provide readymade solutions for UK businesses to grow their export markets. In addition, they have developed a strategy to legally remain in the EU, even after Brexit. Their cross border services include a network of service providers, such as fulfilment warehouses, e-commerce specialists, accountants, lawyers, etc. in the UK as well as in the Netherlands and Germany.
