We would like to invite you to join us for **The South Gloucestershire Business Show 2019** on 2nd & 3rd October at The Bristol & Bath Science Park.

#SGBS19 returns for its third year in partnership with South Gloucestershire Council and with Associate Sponsors Nettle.

With a wide range of speakers, workshops and forums, the event creates engagement in some of the most challenging areas for the business world while offering a teaching and informative discussion.

Held in the inspirational Forum space at Bristol & Bath Science Park, our Festival of Business and Innovation celebrates South Gloucestershire as a great place to do business, whilst offering innovative products and services.

"The South Gloucestershire Business Show has firmly established itself as an important fixture on the region's business calendar. It is where businesses and business organisations come together to share ideas, expertise and support and to network in a friendly, positive and productive way. It has become a vital component of what has made South Gloucestershire such a vibrant and exciting place to do business. Long may it continue."

Sam Holliday
Manager, Gloucestershire FSB Development

"#SGBS19 will be once again a fabulous business festival held at The Bristol & Bath Science Park in the heart of the West of England Business Community. We hope you can join us for the third year and help us continue building an innovative and exciting business community in South Gloucestershire."

Antony Merritt
Strategic Economic Development Manager,
South Gloucestershire Council

We hope you can join us for this important event for anyone involved in the South Gloucestershire business community.

"Nettl proudly continues its role as associate sponsor of The South Gloucestershire Business Show as we continue to build a very special event that develops the business community whilst fostering creative thinking and innovation. SGBS gives everyone the opportunity to have meaningful conversations, develop worthwhile connections, and ultimately undertake new and exciting business."
