## **Sources of Funding**

An introduction to business funding. What are the sources of finance for a business and what are the advantages and disadvantages of these sources? This session will look at the options available to businesses for funding their business. It will firstly look at internal sources to see where businesses sometimes have cash available that they are not using efficiently. Next it will look at a wide range of debt options, then the equity options and finally any other sources. A great session for any business that thinks it might need a cash injections at any stage and want to know some of the sources available.

### **Jenny Holmes**

Jenny is a Chartered Management Accountant who has worked with both large and small corporations. She started out with global food producer Kerry Group and more recently has worked with a variety of SMEs as well as setting up and selling her own company in the leisure industry. In her role as Senior

Finance Advisor, Jenny works with the GetSet for Growth team bringing her experience of finance in a practical way. Jenny enjoys making finance helpful, understandable and useful. She has a passion to show people that accountancy is not boring and can be incredibly valuable in growing businesses.
