Thriving at Work South Gloucestershire

Join us to find out more about what Thriving at Work South Gloucestershire can provide your workplace to promote the positive mental health and wellbeing of your staff. We provide free training courses, information and materials, tips and advice and sharing of best practice to promote positive mental health and wellbeing in your workplace.

Thriving at Work South Gloucestershire is a range of partners which South Gloucestershire Council has created and who have the expertise and specialism to provide free support to local employers, promoting mental health and wellbeing in the workplace. With a breadth and Depth of experience in their own discipline areas, they come together to present an up to date picture of knowledge and available support.
