Case Studies in International Trade

Over The two days of #GBS19, Andrea will be exploring international trade and the opportunities it offers to the South Gloucestershire business community across sectors and across scales of Business. An important discussion that serves to encourage businesses to think about growing their trade internationally – whatever the political future holds for the UK

Andrea Collins

Andrea is an international trade specialist with 22+ years in the industry; a linguist fluent in French and Spanish, Andrea specializes in Export. Having worked in the Chemicals, IT, and Professional Services sectors, the first 12 years of Andrea's career were spent predominantly overseas both selling direct

and establishing distribution channels for a number of FTSE and Euronext companies including ICI and RightNow. Recent years saw Andrea exporting her own market research company's services to Europe and the US.

A passionate ambassador of UK micro businesses and SMEs, she launched The Export Department to assist these companies expand their horizons internationally and raise the profile of UK goods and services abroad.

An MBA graduate, Andrea is also a member of the Institute of Export and International Trade.
