FIN-Tech – A growing Sector – Openbank and Cloud Finance for every business

Is your business making the most of the FIN-Tech, digital and challenger banking opportunities? From cost effective business, through transparency and flexible cash management to digital accounting and workflow, there are huge benefits for every business. Our panel will discuss the benefits available for every business to be better informed, manage costs and track business in a better and more integrated way.

Richard Holling

An experienced business executive with 30 years of business and financial services experience. Richard has worked as a consultant, sales executive and manager for several major international companies. In 2018 he changed focus and started to work with start-ups and SMEs. In 2019 he formed Berkshire Dales, which offers SMEs advice on getting the right business finance, and other consulting services. With his background in banking and digital banking solutions, Richard is close to the FIN-Tech sector and take a keen interest in its development.
