International Trade Forum**

Development of International trading opportunities comprises one of the most important routes to building a strong economy in the county. Our International Trade Forum brings together professional advisors in the area with businesses who have experience in import & export and businesses who are looking to grow their business internationally either from scratch or developing on existing business. Our International Trade partners with The Gloucestershire Business Show create a discussion forum that allows business small and large, across sectors and with different levels of experience to share thinking and experience with a view to grasping and exploiting the opportunities that global trading present.
