Visitor Economy – Re-opening, Survival & Recovery

For Businesses in the Visitor Economy, Hospitality, Events, venues, catering, travel and much more, 3 lockdowns have been punishing. Closing, re-opening, closing, re-opening and closing again have added to the uncertainty, so there is no doubt COVID has taken its toll. As the country starts to think about re-opening again, what can we expect from 2021 to help businesses survive and recover? Can we survive? Can we thrive again? What does the future hold? And how will we manage the recovery? Join our panel for a LIVEtalk discussion as we look ahead to Staycation21, the 'Great British Summer' summer once more.
