

Wednesday 19 May, 10:00am

#GBS21 #BI21.3 Property Forum

Housing, Commercial, rail & Infrastructure. Domestic, business, leisure, tourism and travel put demands on Gloucestershire's property infrastructure. Now Covid-19 has added a significant challenge, climate change and environmental impact have been growing in everyone's thinking and priority. Our Forum for Gloucestershire Property Professionals discusses how well we are tackling the many issues and where we might improve for the future. Our property professional's forum delegates are drawn from private and public sector, planning, investment and strategic roles. There are 20 tickets available for observers and if you have any questions for the Panel prior to the event, you can email them to BI21.3@Business-shows.co.uk (please quote the Event title in your email)

Patrick Downes

Patrick has multi-sector experience identifying, structuring and delivering portfolio strategies, property transactions, and development programmes thus delivering strategic and commercial outcomes in business environments. He is a trusted and effective business leader who has a proven record of creating, transforming and maximising organisational performance, driving business growth, geographically, in scale, and profitably. He has an excellent track record in growing teams and systems to ensure client satisfaction.
